

LIMITED WARRANTY

ORIGINAL EQUIPMENT GOODYEAR RECREATIONAL VEHICLE TIRE MANUFACTURER'S LIMITED WARRANTY

United States and Canada

WHO IS ELIGIBLE?

You are eligible for the benefits of this limited warranty if you meet all the following criteria:

- You are the owner or authorized agent of the owner of new Goodyear Unisteel® G670 RV®, Unisteel G149 RSA®, Unisteel G169 RSA®, Unisteel G614 RST®, Unisteel G647 RSS®, Wrangler® HT or Marathon® tires
- Your tires bear Department of Transportation (D.O.T.) prescribed tire identification numbers and are not branded "NA" (Not Adjustable)
- Your Goodyear RV tires have been used only on the vehicle on which they were originally installed according to the vehicle manufacturer's or Goodyear's recommendations
- Your tires were purchased on or after March 1, 2004

WHAT IS COVERED AND FOR HOW LONG?

1. **FREE TIRE REPLACEMENT** – Goodyear tires covered by this limited warranty that become unserviceable due to a covered warranty condition during the first 2/32nds treadwear or 12 months from date of purchase, whichever comes first, will be replaced with a comparable new Goodyear tire without charge. You pay only for the mounting and balancing. (Without proof of purchase, date of manufacture will be used to determine age.)

2. PRORATED TIRE REPLACEMENT

– Tires worn beyond the first 2/32nds treadwear that become unserviceable due to a covered warranty condition will be replaced on a prorated basis. You are responsible for mounting and balancing charges.

HOW WILL PRORATED CHARGES BE CALCULATED?

The replacement price will be calculated by multiplying the current advertised selling price at the adjustment location by the percentage of usable original tread that has been worn off at the time of adjustment. You pay for mounting, balancing, an amount equal to the full current Federal Excise Tax (U.S. Only) and any other applicable taxes for the comparable new Goodyear replacement tire.

EXAMPLE:

If your disabled tire had an original 16/32" of usable tread depth and is worn to 8/32" of usable tread remaining you have used 50% and therefore must pay 50% of the advertised selling price of a comparable tire, plus an amount equal to the full current Federal Excise Tax (U.S. Only) applicable to the comparable new replacement tire at the time of adjustment. If the price of the comparable tire is \$400.00, the cost to you would be \$200.00 plus Federal Excise Tax (U.S. Only), mounting, balancing and any other applicable taxes.

WHAT IS A COMPARABLE TIRE?

A "comparable" new Goodyear tire may either be the same line of tire or, in the event that the tire is not available, a tire of the same basic construction and quality with a different sidewall or tread configuration. If a higher priced tire is accepted as replacement, the difference in price will be at an additional charge to you.

Any replacement tire provided pursuant to this limited warranty will be covered by the Goodyear limited warranty in effect at the time of replacement.

WHAT ARE YOUR LEGAL RIGHTS?

Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Any tire, no matter how well constructed, may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstances is this limited warranty a representation that a tire failure cannot occur.
