

Shipping instructions for US and Canada based Plants

Failure to follow these corporate shipping instructions may result in Goodyear's refusal to pay any shipping costs invoiced to Goodyear by the supplier.

1. Unit quantity - Shipping documents must show the same unit quantity that appears in the quantity column of the purchase order.
2. Goodyear purchase order number - Goodyear approved purchase order number must be on all freight bills.
3. Premium freight - Supplier or subcontractor must obtain purchasing approval if any premium freight shall be used and at what cost.
4. Freight Carrier Selection - Consult the Purchase Order Instructions on supplier.goodyear.com
