

**The Goodyear Tire & Rubber Co.
Supplier Registration
User Guide**

Welcome to The Goodyear Tire & Rubber Company supplier registration site. Here you will be able to submit your information to Goodyear quickly and have the ability to access the tool and update your information at any time.

This document will walk you through the steps to register and update your information using this site.

Please be aware that this registration does not qualify or guarantee your company as an approved Goodyear supplier. Completing this registration does not imply that your company has any type of procurement relationship with The Goodyear Tire & Rubber Company. However, registering in this portal does provide enhanced visibility of your company to the Goodyear sourcing team.

How do I get started?

You can access the site at <http://supplier.goodyear.com>.

If you have an existing user name and password, use them to access the site. If you have forgotten your password, enter your Username and click "Forgot Password?" to have your password sent to your registered E-Mail Address.

If you do not have an account on the Goodyear supplier registration site, click on the button "New User Registration". This will take you to the new supplier registration page.
